Higher Secondary Certificate (HSC)
Result: GPA 4.83

**Dhanmondi Govt. Boys' High School** **Passing year-2018**
Secondary School Certificate (SSC)
Result: GPA 4.67

## Projects

**Car-Rental**
--- A full-stack e-commerce web application for car rent
--- Description: It is basically car rent system for a company, where people can book their desire car to travel any place in the country. An admin can maintain (CRUD Operations) bookings, add new car, make sure to confirm the car, can see annual revenue. I have worked on this project at client and server side.
--- Built with JavaScript, React, Tailwind CSS, Express js, Node js, MongoDB (MERN based project).
--- **Source code on Github:** https://github.com/Mahmudur-86/carrental. At vercel : https://carrental-eosin.vercel.app

**FoodDelivery**
--- A frontend e-commerce web application for fooddelivery
--- Description: It is basically fooddelivery system for a food company, where people can choose their desire food to eat any place in the country and also can deliver their house. I am working on frontend part(on progress).
--- Built with JavaScript, React js,Reduxjs/Toolkit, Tailwind CSS.
--- **Source code on Github:** https://github.com/Mahmudur-86/fooddelivery
